

MATERIAL FACT

CLOSING OF ACQUISITION OF INTEREST IN THE ITAIPU FIELD

Rio de Janeiro, March 23, 2023 – Petro Rio S.A. (the “Company” or “PRIO”) (B3: PRIO3) informs its shareholders and the market in general of the closing of the acquisition of 40% interest in the BM-C-32 Block (“Itaipu Field” or “Itaipu”), acquired from Total Energies E&P Brasil Ltda., following the Material Fact released on September 26, 2022.

Together with the 60% interest in Itaipu acquired from BP Energy do Brasil Ltda., on June 17, 2021, this transaction will bring PRIO’s interest to 100% of the concession.

About PRIO

PRIO is the largest independent company in the oil and gas production in Brazil. The Company’s corporate culture seeks to increase production through the acquisition of new production assets, the redevelopment of assets, increased operational efficiency and reduction of production costs and corporate expenses. PetroRio’s main objective is to create value for its shareholders with growing financial discipline and preserving its liquidity, with full respect for safety and the environment. Disclaimer

This news release contains forward-looking statements. All statements other than statements of historical fact contained in this news release are forward-looking statements, including, without limitation, statements regarding our drilling and seismic plans, operating costs, acquisitions of equipment, expectations of finding oil, the quality of oil we expect to produce and our other plans and objectives. Readers can identify many of these statements by looking for words such as “expects”, “believe”, “hope” and “will” and similar words or the negative thereof. Although management believes that the expectations represented in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. By their nature, forward-looking statements require us to make assumptions and, accordingly, forward-looking statements are subject to inherent risks and uncertainties. We caution readers of this news release not to place undue reliance on our forward-looking statements because a number of factors may cause actual future circumstances, results, conditions, actions or events to differ materially from the plans, expectations, estimates or intentions expressed in the forward-looking statements and the assumptions underlying the forward-looking statements.
